### **Item 1.01 Entry into a Material Definitive Agreement.**

On October 11, 2023, EMCORE Corporation (the “Company”) entered into an Asset Purchase Agreement (the “Purchase Agreement”), by and among the Company, Photonics Foundries, Inc., a Delaware corporation (“PF”), and Ortel LLC a Delaware limited liability company and wholly owned subsidiary of PF (the “Buyer”), pursuant to which the Company agreed to (i) transfer to the Buyer substantially all of the assets and liabilities primarily related to the Company’s Cable TV, wireless, sensing and defense optoelectronics business lines (the “Businesses”), including with respect to employees, contracts, intellectual property and inventory, and (ii) provide a limited license back to the Company of patents being sold to the Buyer (the “Transaction”). The Transaction excludes the Company’s chip business, wafer fabrication facilities and all assets not primarily related to the Businesses.

The signing and closing of the Transaction occurred simultaneously. Within 45 days following closing of the Transaction, the Company will transfer to the Buyer all of the equity interests of EMCORE Hong Kong, Limited, a wholly-owned subsidiary of the Company, which directly owns 100% of the equity interests of each of the Company’s subsidiaries in China.

In connection with the Transaction, the parties entered a transition services agreement pursuant to which the Company will provide certain migration and transition services to facilitate an orderly transaction of the operation of the Businesses to the Buyer in the 12-month period following consummation of the Transaction, and the Company and the Buyer entered into a sublease pursuant to which the Company will sublease to the Buyer one of the Company’s buildings (occupying approximately 12,500 square feet) at its Alhambra, California facility for the 12-month period immediately following the closing of the Transaction without payment of rent. With respect to the Buyer’s assumption of the Company’s manufacturing agreement with its electronics manufacturing services (“EMS”) provider for its Cable TV products, the Company (i) made a payment to the EMS provider in the amount of approximately \$0.4 million immediately prior to the closing of the proposed transaction and (ii) provided a guaranty of PF’s and the Buyer’s obligations with respect to payment of certain long-term liabilities that were originally agreed to and set forth in the manufacturing agreement and assigned to PF and the Buyer in the Transaction, in an aggregate amount expected to equal up to approximately \$5.5 million, approximately \$4.2 million of which will not become payable until January 2026, provided that if such guaranty is exercised by the EMS provider, the Company will have the right to require the Buyer to reassign to the Company all intellectual property assigned to the Buyer in the Transaction and the Company will have the right to recover damages from PF and the Buyer.

The Purchase Agreement contains certain representations, warranties, covenants and indemnification provisions, including for breaches of covenants and for losses resulting from the Company’s liabilities specifically excluded from the Transaction.

The Company has agreed that, for the period commencing on the date of closing of the Transaction until the five-year anniversary thereof, neither the Company nor any of its affiliates will, directly or indirectly, compete with the Businesses, subject to certain limitations. The Company has also agreed that, for a period of five years following the closing of the Transaction, neither EMCORE nor any of its affiliates will, directly or indirectly, solicit to employ or employ any employee transferred to the Buyer as part of the Transaction.

As a result of the proposed transaction, the Company expects its last-time-buy revenues to aggregate approximately \$7 million, of which \$1.3 million was recognized as revenue through June 30, 2023, and the majority of which relates to the Company’s chip business.

The above description of the Purchase Agreement is a summary only and is qualified in its entirety by the full text of the Purchase Agreement, a copy of which is attached hereto as Exhibit 1.1 and is incorporated herein by reference. The Purchase Agreement has been filed as an exhibit to this Current Report on Form 8-K to provide investors with information regarding the terms of the Transaction and is not intended to modify or supplement any factual information about the parties. The terms of the Purchase Agreement govern the contractual rights and relationships, and allocate risks, among the parties in relation to the transactions contemplated by the Purchase Agreement. In particular, the assertions embodied in the representations and warranties in the Purchase Agreement reflect negotiations between, and are solely for the benefit of, the parties thereto and may be limited, qualified or modified by a variety of factors, including: subsequent events, information included in public filings, disclosures made during negotiations, correspondence between the parties and in confidential disclosure schedules to the Purchase Agreement. Moreover, certain representations and warranties in the Purchase Agreement were used for the purpose of allocating risk between the parties rather than establishing matters as facts and may not describe the actual state of affairs at the date they were made or at any other time. Accordingly, you should not rely on the representations and warranties in the Purchase Agreement as characterizations of the actual state of facts about the parties.

All Tax Returns are true, correct and complete in all material respects and have been completed in accordance with the past practices of each Business and applicable Law.

(b) Withholding; Miscellaneous. All Taxes that Seller was required to withhold or to collect for payment have been withheld or collected and, to the extent required, have been timely paid to the appropriate Governmental Authorities and Seller has complied with all Tax information reporting requirements, including maintenance of required records with respect thereto, and all Forms W-2 and 1099 required with respect thereto have been properly completed and timely filed and provided to the appropriate payee. No written claim has ever been made by a Governmental Authority in a jurisdiction where Seller does not file Tax Returns that Seller is or may be subject to taxation by that jurisdiction as a result of the operation of any Business in that jurisdiction nor, to Seller's Knowledge, is there any factual or legal basis for any such claim. There are no claims related to any Business pending, threatened or reasonably expected, against Seller under any workers' compensation or long-term disability plan or policy that are not reasonably expected to be fully offset by insurance. Neither Seller nor any Affiliate of Seller is party to any collective bargaining agreement or other labor union contract, or any contract with any works council, employee representative or other labor organization or collective group, and to Seller's Knowledge, there are no activities or proceedings of any labor union, works council, employee representative or other labor organization or collective group to organize its employees. Seller has provided all Business Employees with all wages, benefits, relocation benefits, stock options, bonuses and incentives, and all other compensation that has become due and payable, as of the date hereof, and Seller has provided all consultants and independent contractors performing services primarily on behalf of any Business with all fees that have become due and payable as of the date hereof. All Business Employees are employed on an at-will basis and have no entitlement to contractual severance or notice if terminated for any reason.

Seller and its Affiliates have not, any time within the twelve (12) months preceding the date of this Agreement, had any "plant closing" or "mass layoff" (as defined in the WARN Act) or other terminations of employees that could create any obligations upon, or liabilities for Buyer under the WARN Act or similar state and local laws.

Section 3.20 Compliance with Laws. Except as set forth in Section 3.20 of the Disclosure Schedule, Seller is in compliance in all material respects with all Laws and is not in violation of any Law with respect to any Business. Except as set forth in Section 3.20 of the Disclosure Schedule, Seller has not received any written or, to Seller's Knowledge, oral notification or communication from any Governmental Authority or any other Person regarding any actual, alleged, possible or potential violation of, or failure to comply with, or liability under, any applicable Law with respect to any Business. In the three (3) years prior to the Closing there have been no recalls or voluntary withdrawals of Target Products.

Section 3.21 Permits. Section 3.21 of the Disclosure Schedule sets forth a true, correct and complete list and description of all material Permits, including the expiration date of such Permits, issued to or held by Seller and used in the conduct of any Business. Seller is in compliance with the terms of such Permits, and all such Permits are in full force and effect. There is no pending or, to Seller's Knowledge, threatened termination, expiration, revocation, or modification of any such Permits, and no event has occurred or circumstances exist that would give rise to or serve as a basis for such termination, expiration, revocation, or modification. Other than the Permits set forth on Section 3.21 of the Disclosure Schedule, there are no other material Permits that are necessary or required for the conduct of any Business or the ownership or use of the Purchased Assets as currently conducted or used. Seller has not received any written, or to Seller's Knowledge, oral notice from any Governmental Authority or other Person that any of the properties, facilities, equipment, operations or business procedures or practices of Seller with respect to the Purchased Assets fails to comply in any material respect with any such Permit.

Section 3.22 Foreign Corrupt Practices Act and Anti-Bribery Laws. Neither Seller nor, to Seller's Knowledge, any manager, director, officer or employee, agent, or representative acting on behalf of Seller, in each case, as related to the operation of any Business, has directly or indirectly, (a) taken any action which would cause it to be in violation of the Foreign Corrupt Practices Act of 1977, as amended, or any similar anti-bribery, anti-corruption or money laundering Law and any rules or regulations thereunder applicable to any Business, or (b) used any corporate funds for unlawful contributions, gifts, entertainment or other unlawful expenses relating to political activity, made any unlawful payment to foreign or domestic government officials or employees or made any bribe, rebate, payoff, influence payment, kickback or other similar unlawful payment.

Without limiting the foregoing, Seller has not submitted any disclosures or received any notice that it is subject to any civil or criminal investigation, audit or any other inquiry with respect to any Business involving or otherwise relating to any alleged or actual violation of applicable customs and import Laws.

Section 4.1 Organization and Authority of Buyer. Buyer has been duly incorporated or formed, is validly existing and is in good standing under the laws of its jurisdiction of incorporation or formation, with the requisite corporate or other entity power and authority to own, operate or lease the properties that it purports to own, operate or lease and to carry on its business as now being conducted. Buyer has the full corporate or other entity power and authority to enter into this Agreement and the Ancillary Agreements to which Buyer is a party and to perform its obligations hereunder and thereunder. This Agreement and each of the Ancillary Agreements to which Buyer is a party has been duly authorized, executed and delivered by Buyer and, assuming the due authorization, execution and delivery by the other parties hereto and thereto, constitutes a legal, valid and binding obligation of Buyer, enforceable in accordance with its terms, subject to the Bankruptcy Exceptions, and no other actions or proceedings on the part of Buyer are necessary to authorize this Agreement, the Ancillary Agreements and the consummation of the transactions contemplated hereby or thereby.

Section 4.2 No Conflict. Neither the execution and delivery of this Agreement and each Ancillary Agreement to which Buyer is a party, nor compliance by Buyer with the terms and provisions of this Agreement and each such Ancillary Agreement will (a) violate any provision of the certificate of incorporation or bylaws or other similar organizational document of Buyer, (b) violate any Law or any injunction, order or decree of any Governmental Authority to which Buyer is subject, or give any Governmental Authority or other Person the right to challenge any of the transactions contemplated by this Agreement or to exercise any remedy or obtain any relief under any Law, injunction, order or decree of any Governmental Authority, or (c) result in any material breach of, or constitute a material default (or event which with the giving of notice or lapse of time, or both, would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of any material contract, or result in the creation of any Encumbrance on any assets of Buyer, in each case that would have a material adverse effect on Buyer's ability to consummate the transactions contemplated by this Agreement or any Ancillary Agreement.

Section 4.3 Consents. Assuming the accuracy of the representations contained in Section 3.2 hereof, no consent, approval, order or authorization of, or registration, declaration or filing with, any third party or Governmental Authority, is required by or with respect to Buyer in connection with the execution and delivery of this Agreement by Buyer or the consummation by Buyer of the transactions contemplated hereby, except for any required filings under the Exchange Act.

Section 4.4 Litigation. There are no actions, suits or proceedings pending or overtly threatened against or affecting Buyer at law or in equity, or before or by any federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, which would adversely affect Buyer's performance under this Agreement or the consummation of the transactions contemplated hereby.

Section 4.5 Financing. Buyer has, or will have prior to the Closing, sufficient unrestricted cash on hand, available lines of credit or other sources of immediately available funds to enable it to pay, in cash, the amounts payable pursuant to this Agreement or otherwise necessary to consummate all the transactions contemplated hereby.

Section 4.6 Independent Investigation. Buyer has conducted an independent investigation of each Business and Seller's business operations, assets, liabilities, results of operations and financial condition in making its determination as to the propriety of the transactions contemplated by this Agreement and in entering into this Agreement, and has relied solely on the results of said investigation and on the representations and warranties of Seller expressly contained in Article III of this Agreement (including the Disclosure Schedule), any certificates required to be delivered in connection with the Closing and the representations and warranties of Seller explicitly set forth in the Ancillary Agreements. Notwithstanding the foregoing, nothing in this Section 4.6 shall restrict or impair any claim arising out of Fraud as set forth herein.

Section 4.7 Brokers and Finders. Buyer has not employed any broker, finder or investment banker or incurred any Liability for any brokerage, finder's or other fee or commission in connection with the transactions contemplated by this Agreement and the Ancillary Agreements.

Section 4.8 No Other Representations. NOTWITHSTANDING THE DELIVERY OR DISCLOSURE TO ANY PARTY OR ANY OF THEIR RESPECTIVE REPRESENTATIVES OF ANY DOCUMENTATION OR OTHER INFORMATION (INCLUDING ANY FINANCIAL PROJECTIONS OR OTHER SUPPLEMENTAL DATA), EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN ARTICLE IV, ANY CERTIFICATES REQUIRED TO BE DELIVERED IN CONNECTION WITH THE CLOSING OR THE ANCILLARY AGREEMENTS, NONE OF BUYER OR ANY OTHER PERSON MAKES, AND BUYER EXPRESSLY DISCLAIMS, ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND OR NATURE, EXPRESS OR IMPLIED, IN CONNECTION WITH THIS AGREEMENT, THE ANCILLARY AGREEMENTS OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, INCLUDING AS TO THE MATERIALS RELATING TO THE BUSINESS AND AFFAIRS THAT HAVE BEEN MADE AVAILABLE TO SELLER OR ANY OF SELLER'S REPRESENTATIVES OR IN ANY PRESENTATION OF ANY BUSINESS BY THE MANAGEMENT OF BUYER OR OTHERS IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED HEREBY OR BY THE ANCILLARY AGREEMENTS, AND NO STATEMENT CONTAINED IN ANY OF SUCH MATERIALS OR MADE IN ANY SUCH PRESENTATION SHALL BE DEEMED A REPRESENTATION OR WARRANTY HEREUNDER OR OTHERWISE OR DEEMED TO BE RELIED UPON BY SELLER IN EXECUTING, DELIVERING AND PERFORMING THIS AGREEMENT, THE ANCILLARY AGREEMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN ARTICLE IV, ANY CERTIFICATES REQUIRED TO BE DELIVERED IN CONNECTION WITH THE CLOSING OR THE ANCILLARY AGREEMENTS, IT IS UNDERSTOOD THAT ANY COST ESTIMATES, PROJECTIONS OR OTHER PREDICTIONS, ANY DATA, ANY FINANCIAL INFORMATION OR ANY MEMORANDA OR OFFERING MATERIALS OR PRESENTATIONS, INCLUDING ANY OFFERING MEMORANDUM OR SIMILAR MATERIALS MADE AVAILABLE BY BUYER ARE NOT AND SHALL NOT BE DEEMED TO BE OR TO INCLUDE REPRESENTATIONS OR WARRANTIES OF BUYER OR ANY OTHER PERSON, AND ARE NOT AND SHALL NOT BE DEEMED TO BE RELIED UPON BY SELLER OR AFFILIATE OF SELLER IN EXECUTING, DELIVERING OR PERFORMING THIS AGREEMENT, THE ANCILLARY AGREEMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

**ARTICLE V**  
**CERTAIN COVENANTS OF SELLER AND BUYER**

Section 5.1 Books and Records.

(a) For a period of three (3) years after the Closing Date, Seller hereby agrees to retain all financial records and other books and records in each case to the extent specifically related to the Businesses and to make the same available after the Closing Date for inspection and copying by Buyer or its agents, at Buyer's expense and upon reasonable request.

(b) Following the Closing Date, Seller shall, and shall cause its Affiliates and representatives to, keep confidential and not divulge to any third party any Business Confidential Information except for disclosures subject to comparable confidentiality restrictions for the purpose of or in support of Seller's exercise of its retained rights under the Agreement and Ancillary Agreements; provided, however, that the foregoing restrictions shall not apply to disclosures made by Seller or any of its Affiliates (i) only to the extent necessary to comply with any Law (provided Seller shall notify Buyer in writing in advance of such disclosure, if legally permissible and reasonably possible, so that Buyer or its Affiliates may seek a protective order or other appropriate remedy and Seller shall reasonably cooperate with Buyer or its Affiliates in connection therewith) or (ii) with respect to (A) litigation or potential litigation, (B) the making of, or defense against, a claim for indemnification, and (C) the performance under this Agreement and the Ancillary Agreements.

Section 5.2 Further Assurances. Following the Closing, and subject to the other terms and conditions herein, Seller and Buyer shall promptly execute, acknowledge and deliver any other assurances or documents or take any other actions reasonably requested by Buyer or Seller, as the case may be, and necessary for Buyer or Seller, as the case may be, to satisfy its obligations hereunder and consummate the transactions contemplated hereby. Further, following the Closing, Seller will use commercially reasonable efforts, at Seller's sole cost and expense, to enforce all rights under any restrictive covenant, confidentiality, non-disclosure or invention assignment Contract to the extent related to the operation or protection of any Business, or the use of the Purchased Assets, in the event such Contract is not included in the Purchased Assets; provided, however, that the foregoing shall not require Seller to take any action that would have a material impact on any relationships with customers, suppliers or other third parties nor shall it require Seller to initiate or participate in any litigation or legal proceedings.

Section 5.3 Restrictive Covenants.

(a) Seller agrees that, beginning on the Closing Date and ending on the five (5) year anniversary of the Closing Date (the "Restrictive Period"), neither Seller nor any of its Controlled Affiliates shall, directly or indirectly, engage with, manage, operate, have any ownership interest in any Person that engages in, manages or operates a business that is competitive with any Business or competes directly for customers of any Business, in each case, with respect to a Business, anywhere in the world; provided, however, that it shall not be a violation of this Section 5.3(a) for Seller or any of its Controlled Affiliates (A) to own, directly or indirectly, solely as an investment, securities of any publicly traded Person if Seller or any of its Controlled Affiliates (1) is not a controlling Person or a member of a group that controls such Person and (2) does not, directly or indirectly, own more than 2% or more of the voting securities of such Person, (B) to perform the activities contemplated by the Ancillary Agreements or (C) to sell chips, wafers, or dies to any Person.

(b) During the Restrictive Period, Seller agrees that it shall not, and shall cause its Controlled Affiliates and its and their respective officers, directors, employees and agents (if acting on behalf of Seller or its Controlled Affiliates) not to, directly or indirectly, in any manner, hire, engage, recruit, employ, solicit or otherwise attempt to employ or engage or enter into any business relationship with any Business Employee, to the extent such employee is involved in any Business, or induce or attempt to induce any such employee to leave his or her employment with Buyer or Buyer's Affiliates; provided, however, that the foregoing shall not prohibit Seller its controlled Affiliates or any of their respective officers, directors employees or agents from (i) engaging in general solicitations of employees not specifically targeted at the employees of Buyer, (ii) employing any Person pursuant to a general solicitation to the public through general advertising or similar methods of solicitation by search firms not specifically targeted toward Business Employees, (iii) employing any former employee of Buyer who was terminated by Buyer or who voluntarily departed employment with Buyer at least six (6) months prior to being employed by Seller or its Controlled Affiliates, or (iv) employing or engaging any former agent of the Buyer.

(c) If any provision contained in this Section 5.3 shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Section 5.3. It is in the intention of the Parties that if any of the restrictions or covenants contained in this Section 5.3 is held to cover a geographic area or to be for a length of time which is not permitted by Law, or in any way construed to be too broad or to any extent invalid, such provision shall not be construed to be null, void and of no effect, but to the extent such provision would be valid or enforceable under Law, a court of competent jurisdiction shall construe and interpret or reform this Section 5.3 to provide for a covenant having the maximum enforceable geographic area, time period and other provisions (not greater than those contained herein) as shall be valid and enforceable under such Law.

Section 5.4 Tax Matters.

(a) Any property and ad valorem or similar Taxes on the Purchased Assets for any Straddle Period shall be prorated based upon the actual number of days in such Straddle Period that occur on or before the Closing Date, on the one hand, and the number of days in such period that occur after the Closing Date, on the other hand. Seller shall be allocated and bear all such Taxes that are attributable to any Taxable period, or such portion of any Straddle Period, ending on or prior to the Closing Date. Buyer shall be allocated and bear all such Taxes that are attributable to any Taxable period, or such portion of any Straddle Period, beginning after the Closing Date. The proration of such Taxes shall be based upon the assessed valuation and Tax rate figures (assuming payment at the earliest time to allow for the maximum possible discount) for the Tax period in which the Closing occurs to the extent the same are available; provided, however, that in the event that actual figures (whether for the assessed value of such property or for the Tax rate) for the Tax period in which the Closing occurs are not available at the Closing Date, the proration shall be made using the estimated Taxes for the Tax period in which the Closing occurs. Within thirty (30) days after receipt of the current year's final Tax or assessment bill for the Purchased Assets, Buyer or Seller shall deliver a copy to the other Party and Buyer shall refund to Seller any amount overpaid by Seller, or Seller shall pay to Buyer the amount of any deficiency in the proration.

(b) Seller and Buyer shall provide each other with such cooperation and information as may be reasonably requested of the other in filing any Tax Return, determining a Liability for Taxes or participating in or conducting any audit or other proceeding in respect of Taxes. Each of Seller and Buyer shall make themselves (and their respective employees during normal business hours) reasonably available on a mutually convenient basis to provide explanations of any documents or information provided hereunder.

Section 5.5 Termination of Transactions with Affiliates. Effective as of the Effective Time, except (a) as otherwise provided herein and (b) for the Ancillary Agreements, Seller has taken all necessary actions, and caused all contracts, commitments, transactions, Liabilities or obligations between the Seller and any of its Affiliates, to the extent specifically related to the Business, to be terminated and cancelled without any further Liability.

Section 5.6 Acquired Subsidiaries. Seller and Buyer shall take or cause to be taken all such action as may be reasonably required to execute, deliver and file, or cause to be executed, delivered and filed, all such documentation as may be required to effectuate the transfer of all of the equity interests of each Acquired Subsidiary to Buyer upon the EMCORE Hong Kong Closing and thereafter.

Section 5.7 Publicity. Other than the Current Report on Form 8-K which Seller expects to file with the Securities Exchange Commission in respect of the transactions contemplated by this Agreement (a draft of which Seller shall provide Buyer with reasonable opportunity to review and comment on and Seller shall reasonably consider any comments timely provided by Buyer), neither Seller nor Buyer shall issue any press release or public announcement concerning this Agreement or the transactions contemplated hereby, or disclose or otherwise make available to the public terms of this Agreement or any Ancillary Agreement, without obtaining the prior written approval of the other Party, which approval will not be unreasonably withheld or delayed, unless, in the sole judgment of Seller or Buyer, as applicable, disclosure is (i) otherwise required by applicable Law or by the applicable rules of any stock exchange on which such Party or its Affiliates lists securities or (ii) repetitive of disclosure set forth in the Current Report on Form 8-K; provided, however, that, to the extent required by applicable Law, the Party or Parties intending to make such release shall, as permitted by applicable Law, consult with the other Party or Parties with respect to the timing and content thereof. Nothing in this Section 5.7 will restrict (i) Buyer's or any of its Affiliates' ability to disclose information to Buyer's, or any of its Affiliates', lenders, direct or indirect investors, or prospective lenders or investors and (ii) the Seller's ability to disclose any information with respect to this Agreement and the transactions contemplated hereby pursuant to the requirements of the Securities Act of 1933 and the Securities Exchange Act of 1934, each, as amended, including in connection with any disclosure that may be from time to time required with respect to an offering, sale or issuance of Company securities.

Section 5.8 Wrong Pocket Assets.

(a) Subject to Section 2.8, if any Purchased Asset remains vested in or in the possession of Seller or any of its Affiliates following Closing, Seller shall (or shall cause its applicable Affiliate to) transfer such Purchased Asset as soon as reasonably practicable to Buyer or its designee for no additional consideration (it being acknowledged and agreed that Buyer shall have already paid full consideration for all Purchased Assets). Seller shall notify Buyer as soon as reasonably practicable upon becoming aware that there are any Purchased Assets in its possession or control or that of any Affiliate of Seller.

(b) If any Excluded Asset is vested in or in possession of Buyer or any of its Affiliates following Closing, Buyer shall (or shall cause its applicable Affiliate to) transfer such Excluded Asset as soon as reasonably practicable to Seller or its designee for no consideration (it being acknowledged and agreed that the Parties have not agreed to sell such Excluded Asset). Buyer shall notify Seller as soon as reasonably practicable upon becoming aware that there are any Excluded Assets in its possession or control or that of any Affiliate of Buyer.

Section 5.9 Employees and Employment Benefit Matters.

(a) At or prior to the Closing, Buyer shall make offers of employment the Business Employees listed on Section 5.9(a) of the Disclosure Schedule (any such Business Employee who accepts an offer for post-Closing employment, a “Transferred Employee”), and Seller shall seek resignations from, or otherwise terminate, all Transferred Employees who have accepted an offer of employment from Buyer prior to the Closing. Each offer of employment to a Transferred Employee shall provide for the level of base salary at least equal to the level of base salary or base compensation provided to such Transferred Employee immediately prior to the Effective Time.

(b) With respect to any 401(k) plan or health and welfare plan maintained by Buyer in which any Transferred Employee will participate, Buyer shall or shall cause its designated Affiliate to use commercially reasonable efforts to give the Transferred Employee service credit for all periods of employment with Seller prior to the Closing Date, to the same extent as service credit was given by Seller immediately prior to the Closing Date, for purposes of vesting and eligibility to participate; *provided, however*, such service shall not be recognized to the extent that (i) such recognition would result in a duplication of benefits or (ii) Seller does not provide Buyer with the necessary information or documentation to enable Buyer to provide such credit. Further, for purposes of clarity, in no event will any service credit be provided for any retiree medical, severance, or defined benefit pension plan accruals. Buyer shall or shall cause its designated Affiliate to use commercially reasonable efforts to (i) waive any pre-existing condition exclusion, actively-at-work requirement or waiting period under all employee health and other welfare benefit plans established or maintained by Buyer or its Affiliates for the benefit of the Transferred Employees, except to the extent such pre-existing condition, exclusion, requirement or waiting period would have applied to such individual under the Seller Employee Plan, and (ii) provide full credit for any co-payments, deductibles or similar payments made or incurred prior to the Closing Date for the plan year in which the Closing occurs, in each case provided that Seller provides Buyer with the necessary information or documentation to enable Buyer to do so.

(c) Seller shall bear any costs related to any claims made by any Transferred Employee for any severance payments and benefits (including the employer portion of any employment Taxes) arising out of or in connection with Buyer's failure to make offers of employment to any Business Employee in accordance with this Agreement.

(d) The provisions of this Section 5.9 are for the sole benefit of the Parties and nothing herein, express or implied, is intended or shall be construed to confer upon or give to any person other than the parties hereto and their respective permitted successors and assigns, any legal or equitable or other rights or remedies under or by reason of any provision of this Agreement, including any rights to continued employment or service with Seller, Buyer, or any of their respective Affiliates. Notwithstanding anything in this Section 5.9 to the contrary, nothing contained herein, whether express or implied, shall be treated as an amendment or other modification of any Seller Employee Plan maintained, or any employee benefit plan maintained by Buyer. Nothing contained herein shall be construed as requiring Buyer to adopt or continue any specific employee benefit plans or to continue the employment of any specific person.

Section 5.10 Fastrain Manufacturing Agreement. At or prior to the Closing, following assignment of the Fastrain Manufacturing Agreement to Buyer (and assumption of Seller's obligations thereunder by Buyer), if (x) Buyer fails to meet any obligation under Sections 5.8(a) or 5.8(c) of the Fastrain Manufacturing Agreement (the "Equipment Depreciation Obligations"), Fastrain seeks payment of any such obligations from Seller, and Buyer does not cure such failure within 15 days after written notice thereof, or (y) Seller must make any payment to Fastrain pursuant to the Limited Guarantee, then (a) Buyer shall immediately transfer and assign the Assigned Patents to Seller, including signing all papers needed to effectuate such transfer and assignment, and (b) Buyer shall immediately transfer and assign to Seller all other Intellectual Property Rights (including without limitation all Trade Secrets, know-how and information necessary to continue to perform the business associated with the Fastrain Manufacturing Agreement) acquired by Buyer in the Transaction.

Section 5.11 Change of Name. As promptly as practicable after Closing, but in no event later than 30 days after EMCORE Hong Kong Closing, Buyer shall cause the organizational documents of each of the Acquired Subsidiaries to be amended and take all other actions necessary to change the name of each Acquired Subsidiary to remove "Emcore" from the name of each Acquired Subsidiary and change the name to one sufficiently dissimilar to Seller's present name and any trade names or product names used by Seller during the 12 months prior to Closing to avoid any confusion.

Section 5.12 Seller Trade Names. As promptly as practicable after Closing, Buyer shall amend or terminate (as appropriate) any assumed name or d/b/a filings to eliminate Seller's use of the following or similar name: "Emcore" (the "Seller Trade Name").

Section 5.13 Acquired Subsidiaries. As promptly as practicable after EMCORE Hong Kong Closing, Buyer shall pay the bonus amounts set forth on Section 5.13 of the Disclosure Schedule together with all Taxes related thereto.

**ARTICLE VI**  
**SURVIVAL AND INDEMNIFICATION**

Section 6.1 Survival.

(a) Except for Section 3.24 and Section 4.8 and claims of Fraud (each of which survive until the expiration of the applicable statute of limitations), none of the representations and warranties contained in this Agreement shall survive the Closing Date. The covenants contained in this Agreement which relate to the performance of obligations on or after the Closing and each other agreement set forth herein shall survive the Closing indefinitely. The covenants contained in this Agreement which relate to the performance of obligations prior to the Closing shall not survive the Closing Date. No action or claim for Losses resulting from the breach of, or inaccuracy in, any representation or warranty shall be brought or made after the Closing Date; provided, that any claims asserted in good faith and in writing prior to such expiration date shall not thereafter be time-barred, and such claims shall survive until resolved in accordance with this Article VI.

Section 6.2 Indemnification.

(a) From and after the Closing Date and subject to the other limitations set forth in this Article VI, Seller agrees to indemnify, defend and hold harmless Buyer, its Affiliates and any of their respective directors, officers, employees, stockholders, agents, successors and permitted assigns (collectively, the "Buyer Parties") against and in respect of any and all losses, claims, damages, Liabilities, fines, fees, assessments, penalties, judgments, settlements, costs and expenses, including reasonable and documented legal fees and expenses (collectively, "Losses"), resulting or arising from or otherwise relating to:

- (i) any non-performance, non-fulfillment or other breach of any covenant of Seller set forth in this Agreement which relate to the performance of obligations on or after the Closing or any Ancillary Agreement;
- (ii) any Excluded Liability;
- (iii) any Excluded Asset;
- (iv) pre-Closing Taxes of Seller and the Assumed Subsidiaries; and
- (v) Fraud by Seller or any of the individuals set forth in the definition of "Seller's Knowledge".

(b) From and after the Closing Date and subject to the other limitations set forth in this Article VI, Buyer shall indemnify, defend and hold harmless Seller, its Affiliates and any of its directors, officers, employees, stockholders, agents, successors and permitted assigns (collectively, the "Seller Parties") against and in respect of any and all Losses resulting or arising from or otherwise relating to:

- (i) any non-performance, non-fulfillment or other breach of any covenant of Buyer set forth in this Agreement which relate to the performance of obligations on or after the Closing or any Ancillary Agreement;
- (ii) any Assumed Liability;

- (iii) the ownership or use of any Purchased Asset from and after the Closing;
- (iv) any Liabilities (other than any matter to the extent indemnification is expressly provided for pursuant to Section 6.2(a) above) to the extent arising out of or relating to the operation of the Businesses from and after the Closing;
- (v) Buyer's failure to meet any purchase obligations under the Fastrain Manufacturing Agreement; and
- (vi) any amounts owed to the Fastrain Parties by Seller pursuant to the Limited Guarantee.

Section 6.3 Method of Asserting Claims. All claims for indemnification by any Indemnified Party hereunder involving a Third Party Claim shall be asserted and resolved as set forth in this Section 6.3. If an Indemnified Party wishes to assert a claim against an Indemnifying Party hereunder in respect of any claim or demand asserted or sought to be collected by a Person who is not a Party or an Affiliate of a Party (each, a "Third Party Claim"), such Indemnified Party shall promptly, but in no event more than thirty (30) days following such Indemnified Party's receipt of such Third Party Claim, notify the Indemnifying Party of such claim or demand and the amount or the estimated amount thereof to the extent then feasible (which estimate shall not be conclusive of the final amount of such Third Party Claim) (the "Claim Notice"); provided, that the failure to notify the Indemnifying Party shall not relieve the Indemnifying Party of its obligations hereunder, except to the extent such failure shall have materially adversely prejudiced the Indemnifying Party (and then only to the extent of such material adverse prejudice). The Indemnifying Party shall have thirty (30) days from the delivery of the Claim Notice (the "Notice Period") to notify the Indemnified Party whether or not it desires to defend the Indemnified Party against such Third Party Claim; provided, that if the Indemnifying Party elects to defend the Indemnified Party, the Indemnifying Party shall first acknowledge in writing without qualification its indemnification obligation with respect to such Third Party Claim; provided, further, that the Indemnifying Party shall not have the right to assume or continue the defense of any Third Party Claim (and costs and expenses incurred by Indemnified Party in such defense shall be paid by the Indemnifying Party) if (a) the Indemnified Party shall have one or more legal or equitable defenses available to it which are different from or in addition to those available to the Indemnifying Party, or (b) if such claim relates to or arises in connection with any criminal or quasi criminal proceeding, action, indictment, allegation or investigation. All costs and expenses incurred by the Indemnifying Party in defending such Third Party Claim shall be a liability of, and shall be paid by, the Indemnifying Party, subject to the limitations set forth in this Article VI. In the event that the Indemnifying Party notifies the Indemnified Party within the Notice Period that it desires to defend the Indemnified Party against such Third Party Claim, except as otherwise provided herein, the Indemnifying Party shall have the right to defend the Indemnified Party by appropriate proceedings with legal counsel reasonably acceptable to the Indemnified Party. If any Indemnified Party desires to participate in, but not control, any such defense or settlement, and to employ separate counsel of its choosing, it may do so at its sole cost and expense. The Indemnifying Party shall not, without the prior written consent of the Indemnified Party (not to be unreasonably withheld, conditioned or delayed), settle, compromise or offer to settle or compromise any such claim or demand on a basis: (i) that would result in the imposition of a consent order, injunction, decree or agreement that would restrict the future activity or conduct of the Indemnified Party or any subsidiary or Affiliate thereof, (ii) that includes a finding or admission of a violation of Law or violation of the rights of any Person by the Indemnified Party or any subsidiary or Affiliate thereof, (iii) that does not include as an unconditional term thereof the giving by the claimant or the plaintiff of a full and unconditional release of the Indemnified Party and its subsidiaries and Affiliates from all Liability with respect to the matters that are subject to such Third Party Claim, or (iv) that provides for any payment by the Indemnified Party or any subsidiary or Affiliate thereof. To the extent the Indemnifying Party shall control or participate in the defense or settlement of any Third Party Claim or demand, the Indemnified Party will give the Indemnifying Party and its counsel access to, during normal business hours, the relevant business records and other documents, and shall permit them to consult with the employees and counsel of the Indemnified Party; provided, however, that no Indemnified Party shall be required to disclose any information to the Indemnifying Party or its representatives if such disclosure would give rise to a violation of Law (including antitrust or competition law issues) or that is otherwise subject to (and where disclosure would result in a loss of) attorney-client privilege, attorney work product protection or other similar privilege associated with such information. Any notice of a claim by reason of any of the representations, warranties or covenants contained in this Agreement shall describe the Third Party Claim in reasonable detail in light of the circumstances then known.

Section 6.4 Limitations on Recovery

(a) The amount of any Losses for which indemnification is provided under this Article VI shall be net of any amounts actually recovered by the Indemnified Party under applicable insurance policies or from any other Person alleged to be responsible therefor, net of any expenses reasonably incurred by such Indemnified Party in collecting such amount (including premium adjustments). If the Indemnified Party or any Affiliate thereof actually receives any amounts under applicable insurance policies or from any other Person alleged to be responsible for any Losses subsequent to an indemnification payment by the Indemnifying Party that were not taken into account under the immediately preceding sentence, then such Indemnified Party shall promptly reimburse the Indemnifying Party for any payment made or expense incurred by such Indemnifying Party in connection with providing such indemnification payment up to the amount received by the Indemnified Party, net of any expenses reasonably incurred by such Indemnified Party in collecting such amount (including premium adjustments). The Indemnified Party shall use commercially reasonable efforts to collect any amounts available under such insurance coverage or from such other Person alleged to have responsibility therefor.

(b) Each Indemnified Party shall take, and cause its Controlled Affiliates to take, commercially reasonable steps to mitigate any Loss upon becoming aware of any event or circumstance that would be reasonably expected to, or does, give rise thereto, including incurring costs only to the minimum extent necessary to remedy the breach that gives rise to such Loss.

Section 6.5 Exclusive Remedies: Sole Recourse. Except for claims arising out of Fraud, the Parties acknowledge and agree that, from and after the Closing, their sole and exclusive remedy with respect to any and all claims for any breach of any covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement shall be pursuant to the indemnification provisions set forth in this Article VI. The Indemnified Party is not entitled to recover damages or otherwise retain payment, reimbursement or restitution more than once in respect of the same Loss.

Section 6.6 No Set-Off. Neither Buyer nor Seller shall have any right to set-off any Losses (including indemnification obligations hereunder) against any payments to be made by either of them pursuant to this Agreement, the Ancillary Agreements, or otherwise.

Section 6.7 Adjustments to the Purchase Price. Any payments made pursuant to Section 6.2 shall be treated for all Tax purposes as an adjustment to the Purchase Price, except as otherwise required by applicable Law.

## **ARTICLE VII** **MISCELLANEOUS**

Section 7.1 Amendment and Modification. This Agreement may only be amended or modified in writing signed by Seller and Buyer.

Section 7.2 Waiver. Either Seller or Buyer may (a) extend the time for the performance of any of the obligations or other acts of the other Party, (b) waive any inaccuracies in the representations and warranties of the other Party contained herein or in any document delivered pursuant hereto, and (c) waive compliance with any of the agreements or conditions of the other Party contained herein. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in a written instrument executed by the Party expressly granting such extension or waiver. No failure or delay by a Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 7.3 Construction. The Parties acknowledge that both Buyer and Seller participated in the drafting of this Agreement and the Ancillary Agreements and agree that any rule of law or any legal decision that may or would require interpretation of any alleged ambiguities in this Agreement or the Ancillary Agreements against the Party that drafted it has no application and is expressly waived. In the event of a conflict or inconsistency between the terms of this Agreement (including the representations, warranties, covenants and indemnification provisions hereof) and the terms of any other documents delivered or required to be delivered in connection with the consummation of the transactions contemplated by this Agreement, the Parties acknowledge and agree that the terms of this Agreement shall supersede such conflicting or inconsistent terms in such other documents and the terms of this Agreement shall define the rights and obligations of the Parties and their respective officers, directors, employees, stockholders and Affiliates with respect to the subject matter of such conflict or inconsistency.

Section 7.4 Expenses. Unless otherwise expressly provided herein or otherwise agreed in writing by the Parties, the Parties shall bear their own respective expenses (including all compensation and expenses of counsel, financial advisors, consultants, actuaries and independent accountants) incurred in connection with the preparation and execution of this Agreement and consummation of the transactions contemplated hereby.

Section 7.5 Binding Effect; Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. Except as provided in the following sentence, this Agreement and the rights and Liabilities hereunder may not be assigned by any Party, whether by operation of law, sale of substantially all the assets of a Party, or otherwise. Buyer may assign or delegate its rights or Liabilities under this Agreement in whole or in part to (a) one or more Affiliates of Buyer, (b) any lender of Buyer or its Affiliates or (c) any acquiror of substantially all of the assets of Buyer; provided, however, that in such event, Buyer shall remain fully liable for the fulfillment of all such Liabilities hereunder. Any attempted assignment or delegation in contravention hereof shall be null and void.

Section 7.6 Entire Agreement; No Third Party Rights. Except as otherwise contemplated herein, this Agreement (including the Disclosure Schedule) and the Ancillary Agreements (a) constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, between the Parties, with respect to the subject matter hereof; and (b) are not intended to confer upon any Person other than the Parties to this Agreement and with respect to the rights under Sections 6.2(a) and 6.2(b) only, the Buyer Parties and Seller Parties, respectively, and any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement. Except as provided in the immediately preceding sentence, this Agreement and all of its provisions and conditions are for the sole and exclusive benefit of the Parties to this Agreement and their successors and permitted assigns.

Section 7.7 Counterparts; Electronic Delivery. This Agreement (including each of the Ancillary Agreements) and all agreements, certificates, instruments and documents entered into in connection herewith may be executed and delivered in two or more counterparts and by email (including PDF attachment), each of which shall be deemed an original and all of which when taken together shall be considered one and the same instrument. Each Party hereby agrees that this Agreement may be executed and entered into electronically and that any electronic signature (as defined below), whether digital or encrypted, used by either Party is intended to authenticate this Agreement and to have the same legal force and effect as a manual signature. For purposes of this Section 7.7, the term “electronic signature” means any electronic symbol, designation or process attached to or logically associated with an agreement, document, instrument, record or contract and adopted by a Party with the intent to sign such agreement, document, instrument, record or contract (including through the use of DocuSign or similar software).

Section 7.8 Notices. All notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be deemed to have been given (a) (i) the Business Day following the day on which the same has been delivered prepaid to a reputable national overnight air courier service or (ii) the third (3<sup>rd</sup>) Business Day following the day on which the same is sent by certified or registered mail, postage prepaid and return receipt requested (in the cases of (i) and (ii), so long as a copy is delivered via email as set forth in clause (b) promptly thereafter) or (b) when transmitted via electronic mail (so long as receipt is acknowledged). Section 7.9 Governing Law; Jurisdiction; Waiver of Jury Trial.

(a) This Agreement, the Ancillary Agreements and all claims or causes of action (whether in contract or tort or otherwise) that may be based upon, arise out of or relate to this Agreement or any Ancillary Agreement or the negotiation, execution or performance of this Agreement or any Ancillary Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement, any Ancillary Agreement or as an inducement to enter into this Agreement), shall be governed by the internal Laws of the State of Delaware, without giving effect to conflict-of-laws principles that would result in the application of the Laws of any other jurisdiction.

(b) The Parties hereby irrevocably submit to the exclusive jurisdiction of the state and federal courts located in the State of Delaware over all claims or causes of action (whether in contract or tort or otherwise) that may be based upon, arise out of or relate to this Agreement or any Ancillary Agreement or the negotiation, execution or performance of this Agreement or any Ancillary Agreement (including any claim or cause of action, whether in contract or tort or otherwise, based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement, any Ancillary Agreement or as an inducement to enter into this Agreement) and each Party hereby irrevocably agrees that all claims in respect of any such dispute or any suit, action or proceeding related thereto (whether in contract or tort or otherwise) shall be heard and determined in such courts. The Parties hereby irrevocably waive, to the fullest extent permitted by applicable Law, any objection that they may now or hereafter have to the laying of venue of any such dispute brought in such courts or any defense of inconvenient forum for the maintenance of such dispute. Each of the Parties agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

(c) Each of the Parties hereby consents to process being served by any Party to this Agreement in any suit, action or proceeding by the delivery of a copy thereof in accordance with the provisions of Section 7.8.

(d) EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES THE RIGHT TO A TRIAL BY JURY IN ANY CLAIM OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BROUGHT BY OR AGAINST IT THAT MAY BE BASED UPON, ARISE OUT OF OR RELATE TO THIS AGREEMENT OR ANY ANCILLARY AGREEMENT OR THE NEGOTIATION, EXECUTION OR PERFORMANCE OF THIS AGREEMENT OR ANY ANCILLARY AGREEMENT (INCLUDING ANY CLAIM OR CAUSE OF ACTION BASED UPON, ARISING OUT OF OR RELATED TO ANY REPRESENTATION OR WARRANTY MADE IN OR IN CONNECTION WITH THIS AGREEMENT, ANY ANCILLARY AGREEMENT OR AS AN INDUCEMENT TO ENTER INTO THIS AGREEMENT).

Section 7.10 Severability. In case any provision in this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 7.11 Specific Performance. The rights and remedies of the Parties shall be cumulative (and not alternative). Each of the Parties acknowledges that the rights of each Party regarding the consummation of the transactions contemplated hereby are unique and recognize and affirm that in the event of a breach of this Agreement by either Party, money damages may be inadequate and the non-breaching Party may have no adequate remedy at law. Accordingly, the Parties agree that such non-breaching Party shall have the right, in addition to any other rights and remedies existing in their favor at law or in equity, to seek enforcement of their rights and the other Party's obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive and/or other equitable relief (without posting of bond or other security).

Section 7.12 Parent Guarantee. Parent shall cause Buyer to comply in all respects with each of the representations, warranties, covenants, obligations, agreements and undertakings made or required to be performed by Buyer in accordance with the terms of this Agreement. As a material inducement to the Seller's willingness to enter into this Agreement and perform its obligations hereunder, Parent hereby unconditionally guarantees full performance and payment by Buyer of each of the covenants, obligations and undertakings required to be performed by Buyer under this Agreement and the transactions contemplated by this Agreement, subject to all terms, conditions and limitations contained in this Agreement, and hereby represents, acknowledges and agrees that any such breach of any such representation and warranty or default in the performance of any such covenant, obligation, agreement or undertaking of Buyer shall also be deemed to be a breach or default of Parent, and, subject to the terms and limitations of this Agreement, the Seller shall have the right, exercisable in its sole discretion, to pursue any and all available remedies it may have arising out of any such breach or nonperformance directly against either or both of Parent and Buyer in the first instance.

**PRESS RELEASE****EMCORE Completes Sale of Non-Strategic Product Lines to Photonics Foundries, Inc.**

ALHAMBRA, CA, October 12, 2023 – (GLOBENEWSIRE) EMCORE Corporation (Nasdaq: EMKR), the world’s largest independent provider of inertial navigation solutions to the aerospace and defense industry, announced today the completion of the sale of Broadband segment product lines and its Defense Optoelectronics products to Ortel LLC, a wholly-owned subsidiary of Photonics Foundries, Inc. The Broadband lines include the Company’s cable TV, wireless, and sensing products. The transaction excludes the Company’s Chips business, wafer fabrication facilities, and all assets not primarily related to the product lines that were sold.

The signing and closing of the transaction with respect to all U.S. assets occurred simultaneously. Within 45 days following the closing of the transaction, the Company will transfer to the buyer all of the equity interests of each of the Company’s subsidiaries in Hong Kong and China.

Jeffrey Rittichier, EMCORE’s President and CEO commented, “With the sale of the Broadband product lines, EMCORE has completed its transition into a pure-play supplier of inertial navigation solutions to the Aerospace and Defense industry. Photonics Foundries has purchased substantially all of the assets and liabilities that primarily relate to our Broadband products and we wish them great success going forward.” Rittichier went on to say, “We’d also like to announce that we completed production of last time orders for our Chips business on schedule and that we shut down our wafer fab operations. We are continuing to work with interested parties on a sale of wafer fab assets and the chip products business line.”

Nat Mani, CEO and Managing Partner of Photonics Foundries, Inc. stated, “We’re very excited to acquire EMCORE’s Broadband and Defense Optoelectronics business units. The team is incredibly pleased about the relaunch of the Ortel brand and the opportunity to continue its market-leading reputation as a premier optical technology leader in linear optics, RF over fiber, narrow bandwidth lasers, and complex sensing applications. We look forward to providing customers with supply continuity and further innovation with a seamless transition of both people and technology for many years to come.

As a result of the transaction, EMCORE expects its last-time-buy revenues to aggregate approximately \$7 million, of which \$1.3 million was recognized as revenue through June 30, 2023, and the majority of which relates to the Company’s chip business. The portion of the remaining projected last-time buys that were previously announced by EMCORE on May 24, 2023, were transferred to the buyer in connection with the transaction.

For further details of the transaction please reference EMCORE’s Form 8-K filed October 12, 2023.
