Re: Product Discontinuation Notice – Legacy Chassis and power supply

Thank you for your continued support of EMCORE products. This letter is to inform you of our intention to discontinue the OT-CC-16, PS-200, PS-100 products immediately. EMCORE is committed to maintaining after sale services of these products throughout the product's warranty period.

As a replacement for the family of products, EMCORE recommends the OT-CC-16F fan cooled chassis and PS-200F power supplies.

EMCORE would like to thank you for your loyalty toward this product line over the many years.

Sincerely,

Nan Wang
Product Line Manager
