Re: Product Discontinuation Notice – 1622 & 1623 family of CWDM O-band cooled butterfly laser modules

Thank you for your continued support of EMCORE products. This letter is to inform you of our intention to discontinue the 1622 & 1623 butterfly laser module products immediately. EMCORE is committed to maintaining after sale services of these products throughout the product's warranty period.

As a replacement, EMCORE offers a full suite of high-performance lasers for multi-channel communication links in numerous applications, and we invite our customers to contact your sales representative for further information. EMCORE would like to thank our customers for the loyalty toward this product line over the many years.

Sincerely,

Grant Olecko
Senior Product Line Director
